## Stepping Into 1980

## As UMR Steps Into The 80's . . .

- (Top to bottom, Left to right)
- . . . More & more women invade the campus
  - . . . The Chancellor gets a bigger garage
  - . . . A new Dean of Students arrives
  - . . . TKE becomes the #1 chapter in the nation
  - . . . Pikers celebrate their 75th anniversary
  - . . . Students are swamped with homework
  - . . . Professor Walters comes alive
  - . . . A record number of students enroll
  - . . . Parker Hall still stands

# Bring In The 80's!

# The Many Faces of UMR

What everyone seems to like most about UMR is the people. Faces from many different states and countries are seen here, but these differences in backgrounds do not inhibit the lasting friendships that are formed.

## More Faces of UMR

I am I  
and  
You are you,  
and if by chance we find each other  
— it's beautiful.

## Still More Friendly Faces

When good friends walk beside us  
On the trails that we must keep  
Our burdens seem less heavy  
And the hills are not so steep

Step with us now into 1980. We hope that within the pages that follow you find yourself, your friends, and treasured memories.

## Step Into 1980. . .

# Activities

## Septemberfest Primes Students for March

"The wearing of green" came early this year once again as many UMR students spent an early fall afternoon at the St. Pat's Board's 2nd annual Septemberfest. After a hard day of classes those who attended were supplied with beer, entertainment, refreshments, and even a possible "pie" in the face, courtesy of the Sigma Tau Gamma Little Sisters.

# Greeks Meet Independents

# In a Soggy Battle

No, it wasn't raining cats and dogs - but it was raining Greeks and Independents. Everyone took part in the traditional "start the school year off right" water fights. It was hard to tell who actually won the battles, but one thing was definite. Everyone got wet!

## Watermelon Orgy-1979

Once again this year the Quad had its annual Watermelon Orgy. Tubs and tubs of watermelons fed all of the hungry people. Of course the RA's couldn't resist taking a little swim in the tubs of ice water (thanks to some help from the other residents). Soon everyone joined in the fun and not a dry person could be found. What people won't do for a slice of watermelon!

# UMR Blood Drive

Each year the students and faculty of UMR give part of themselves so that others can live. This year at the Student Council Blood Drive, 1478 pints of blood were donated. Theta Xi and Lambda Chi Alpha shared the award for the most blood given by one organization.

# University Day

On University Day teachers, parents, and future students viewed the campus with a careful eye. The University plays host to these guests annually in an attempt to relate the atmosphere of this campus to those interested. Each department sets up exhibits to be run by the students, explaining facets of that particular curriculum. Also presenting exhibits were many of the professional organizations and clubs, which displayed science projects and showed films of all phases of campus life.

# Homecoming 1979

TKE's 1st place display

# St. Pat's Board vs. IFC

The "GREEN MACHINE" (St. Pat's Board) overpowered the IFC in this year's rivalry game by a score of 37 to 21. Even though IFC lost, a good time was had by everyone who attended the game. After all, the game was just for fun, right?

Homecoming Queen - Cathy Lally

Alumni from across the nation gathered at UMR for the 1979 Homecoming celebration. Everyone had a great time as the weekend was filled with banquets, parties, and many other events. One of the highlights of the weekend came during halftime of the Miners football game. Cathy Lally was crowned the 1979 Homecoming Queen. Runners up included Cindy Monds, Cindy Cooper, and Valerie Jones. Before the game, Kappa Sigma took first place in the pajama race. The winning Homecoming display titled "Put the Bulldogs in Their Place" was constructed by Tau Kappa Epsilon.

# Harry Chapin

The entertainment for Saturday night of Homecoming was provided by the Student Union Board. S.U.B. presented to us the king of storytellers - Harry Chapin. He sang such songs as "Legends of the Lost & Found," "Thirty Thousand Pounds of Bananas" and "Taxi". As any other concert at UMR, all the students and their friends had a great time.

## Parents' Day

*Welcome*  
*Parents and Guests*

Freshmen and Seniors alike invited their parents to visit the campus on Parents' Day, October 27. Parents toured the campus, visited their son or daughter's place of residence, and many attended the Miner football game. A strange phenomenon also occurred that day — many students even cleaned their rooms! If mom and dad only knew what they usually look like!

## 12th Annual Industry Day

Industry Day gives students a chance to observe what the companies they're interested in are doing in the fields of research and development, without sending for information. This year about eighty companies from Missouri and other states participated. Many of the companies gave out free product samples and brochures - sometimes even a little free advice.

# Halloween, UMR Style

Sig Pi's burn an outhouse in front of the Chancellor's house.

Halloween brought out the kids in all of us. Many people dressed up in costumes ranging from vampires to clowns and playboy bunnies to Joe Miners. Halloween parties were held at various places around campus and some houses even became instantly haunted!

# Life In The Dorms

# The Iranian Crisis, Students Speak Out

Last fall the United States was presented with a terrible crisis. That is the holding of fifty Americans as hostages by a group of Iranian students that took over the U. S. embassy in Iran. The "ROLLAMO" yearbook is not taking a political stand on the Iranian crisis, but is presenting a photographic essay of the feelings of the American students at UMR toward the crisis.

Tau Kappa Epsilon sings “There is Nothing Like a Dame”

The 1979 IFC Sing proved to be one of the best ever. Titled “This is Your Life”, the show gave all the talented Greeks on campus a chance to sing, dance, tell a few jokes, and just have a good time. A third category of acts, Musicals, was added to the traditional Novelty and Chorus categories this year. The ladies of Kappa Delta took first place honors for their Novelty act. Tau Kappa Epsilon had the winning Chorus act and Pi Kappa Alpha brought home the first trophy given for a Musical act.

# Winter Strikes Again

# Black Culture Week

The Association for Black Students' Black Culture Week was held this year from March 24 thru the 29th. Entertainment was provided by the UMR Jazz Ensemble, the Smoot Family Singers, and ABS members at their Talent Show. Lectures were given by Senator Julian Bond (D-GA) and Leonard Martin. The week ended with the Fifth Annual Banquet and Fashion Show.

# Theta Tau Casino Night

Theta Tau Casino Night was once again held at the Armory, Wednesday of St. Pat's. This year the beneficiary of Casino Night was Phelps County Memorial Hospital. The dealers included: Mayor Lou McFarland, local businessmen, and UMR Professors.

# Greek Week 1980:

Tau Kappa Epsilon wins overall  
for the 9th straight year.

To this year's schedule of events was added the Greek Week Idy-Odysseys, which includes such events as best Greek Physique, best Greek Costume, Pyramid Building, Fraternity - Sorority song contest, and the Chew - N - Spit contest. The addition of these events proved to have a good effect on the friendly competition here at UMR.

## Greek Carnival

Despite the threat of rain, the Greeks of UMR were able to Raise \$3,859 for the Rolla Cerebral Palsy School and ABLE (Achievement of Better Lifestyle for the Elderly). Lambda Chi won best booth and Tau Kappa Epsilon took in the most money.

# Greek Week Games

## Wet And Wild

Due to the rain, it was difficult to take many pictures at the Greek Week Games this year. But, the rain did not stop the stiff competition between the fraternities of UMR. Sig Pi took first place in the games with Tau Kappa Epsilon in second and Phi Kappa Theta in third. The overall point totals for Greek Week 1980 are as follows:

Tau Kappa Epsilon	40
Lambda Chi Alpha	35
Sigma Pi	18

## A large group of students, approximately 40 in total, are posed for a group photograph in front of a brick building. The students are dressed in a wide variety of costumes, including military uniforms, formal wear, and various themed outfits. Some students are kneeling or sitting in the front row, while others stand in several rows behind them. The costumes range from a full military uniform with a rifle to a simple white t-shirt with a graphic. The background is a brick wall with a series of dark rectangular panels at the top. The overall atmosphere is festive and creative.

# Cathy Lally, Homecoming Queen

The charming Miss Cathy Lally, daughter of Mr. and Mrs. Richard Lally of Grandview, Missouri, reigns as the 1979 - 1980 UMR Homecoming Queen. Miss Lally, a freshman at UMR majoring in engineering management, is very active in Wesley, SWE, Intramural Sports and is a PiKA Little Sister. Miss Lally also enjoys a variety of hobbies which include swimming, cooking, tennis, camping, and skiing. This brown-eyed, brunette beauty has truly been an asset to UMR.

Ellen Tierney, St. Pat's Queen

Miss Ellen Tierney, a dynamic new face at UMR this year, was crowned St. Pat's Queen. While majoring in Engineering Management, Miss Tierney is also busy with SWE, Kappa Delta and intramural sports. Miss Tierney is from Sullivan, Missouri and is the daughter of Dr. and Mrs. William N. Tierney. Miss Tierney enjoys just about any sport or exercise and also likes to write letters. This lovely young lady certainly highlighted the St. Pat's festivities with her radiant beauty and sparkling personality.

# Susan Lucas, Greek Week Queen

This year's Greek goddess of love and beauty is the attractive Miss Susan Lucas. Miss Lucas, the daughter of Mr. and Mrs. Elzie Lucas of Macon, Missouri, is a freshman majoring in Engineering Management. Miss Lucas, who is active on campus in Kappa Delta, Panhellenic, and Crescents also enjoys gymnastics, dancing and fishing. She possesses many qualities that make her the enchanting and gorgeous lady she is.

Desiree King, Rollamo Queen

Miss Desiree King, daughter of Mr. and Mrs. Frank King of Dellwood, Missouri, is the representative of the yearbook by being named Rollamo Queen. Miss King, a freshman in the field of Aerospace Engineering, loves outdoor activities such as swimming, fishing, camping and hiking. She is also active on campus in Zeta and the Daughters of Diana. Miss King's constant enthusiasm and quick smile best typify her personality.

## What Rollamo Queen Is All About

This year the Rollamo editors each nominated two UMR coeds to compete for the title of Rollamo Queen. The girls and editors met at the home of Mr. Lance Williams, the yearbook advisor, for a get-acquainted tea. Midway through the evening the editors discussed and voted on the 1979-80 Rollamo Queen. Each of the girls was deserving of the honor to represent the yearbook which made the decision difficult. However, after careful consideration, the following girls were chosen:

3rd runner up - Jackie Tesson

2nd runner up - Pat Morgan

1st runner up - Laura Mills

and the new Rollamo Queen - Desiree King

We would like to thank all the other girls in participation: Jackie Pleis, Lee Kutilek, Patti Dent, Emily Peavler, Donna Crespo, Jamie Luca, Margaret Hermann, Trudy Hellman and Debbie Deriberry.

## Who's Who

THE FOLLOWING STUDENTS WERE CHOSEN ON THE BASIS OF THEIR ACADEMIC ACHIEVEMENT, SERVICE TO THE COMMUNITY, LEADERSHIP IN EXTRACURRICULAR ACTIVITIES AND FUTURE POTENTIAL.

THEIR NAMES HAVE BEEN PLACED IN A DIRECTORY WHICH HAS BEEN PUBLISHED ANNUALLY SINCE 1934, AND REPRESENTS OVER 1000 INSTITUTIONS OF HIGHER LEARNING IN ALL 50 STATES AND SEVERAL FOREIGN COUNTRIES.

that has made all the difference.

Success comes in cans.  
Failure in cannots.

Roger L. Boyer

UMR has given me the opportunity to learn both socially and academically. We have just a few years to spend here and there is plenty of time for both. I've met a lot of good people here, made plenty of great friends, and intend on meeting more throughout my life. These friendships, I hope, will last longer than what I learn from classes. Without friends, life and work are a little dull, if not dead. So, take the extra time to smile and enjoy your time here at Rolla.

The total college education is not found just in the classroom. Go for the grades - but not at the expense of all else.

Let me feel the humility of wisdom  
and the struggle of ignorance.  
Show me the choice of freedom  
and the freedom of choice  
the courage of experience  
and the experience of courage  
the ability to understand  
and the understanding of ability  
the confidence of decision  
and the decision of confidence  
I will grow and build my life upon

my understanding for others grows.

Leadership, like any other skill, must be developed through practice. Our strong campus organization system offers us an excellent forum to practice this art, one that should be seized by everyone. But before one ever attempts to lead others, he should first master the art of effectively leading himself.

I'm glad I was fortunate enough to be able to attend college and earn a degree. I'll always be thankful for the quality education and friendships that UMR has brought me.

## Editor's Note

It's hard to believe it, but the 1980 Rollamo is actually finished. Tomorrow the final section goes to press.

As mentioned previously, I hope that you've found yourself and your friends within these 336 pages. This year's staff has worked very hard to bring you a book we hope you'll be proud of. We've tried several new ideas in our efforts to improve the book.

I want to sincerely thank my staff for all of their help:

Jim - You gave 110% this year. Thanks for the many extra hours you spent helping me and the rest of the staff. Best of luck next year as the new Rollamo editor-in-chief.

Mike (MN) - Thanks for being the first one done with your section and congratulations - it was nearly mistake-proof!

Caroline - Even though you took over your position late in the year, you put together a fine section. Thanks for a job well done.

Patty - you proved that freshmen make good editors too. I hope the Rollamo is lucky enough to have you on the staff for three more years.

Nelson - Thank you for making all the trips to and from Ft. Leonard Wood for our staff meetings. Good luck to you and your wife.

Karen - Best of luck to the best of sisters during your next three years at UMR. Thanks for the many hours spent sorting through mounds of senior pictures and for creating a fine section.

Bob - The Rollamo was fortunate to have you on the staff all these years. I was honored to have followed in your footsteps as editor. Good luck always to you, Jan, and Jennifer.

Rose, Lori, Mike (MX), and Barb - As assistant editors, you proved invaluable. Thanks for all your support.

Lance - I can't thank you enough for all the help you've given me this year. I hope that the Rollamo will be fortunate enough to have you as advisor for many years to come.

Thank you most of all to my husband, Rick, for his constant support and encouragement. I leave UMR with mixed feelings. I'm sad that four fantastic years here are now over, but I anxiously look forward to the future that Rick and I will have together.

To all of my friends, good luck in everything you do and may God bless you always. Thank you for allowing me to present this book to you.
